

2019 North American Youth Championship-Junior & CCIO-Y-S Championship Eventing

ATTACHMENT D USEA AREA 2 Selection Procedures

Athletes and grooms are expected to also meet the following criteria specific to Area 2.

1. Attendance at the final prep camp before heading to the NAYC. Prep is currently planned to occur July 16-19 at Loch Moy in Maryland.

2. All rider and groom candidates, regardless of level competing, should attend at **least ONE** of the following Observation Trials in 2018, where horsemanship, teamwork, etc will be evaluated.

Mar 20 – 24 Carolina International CCI and H.T. (Raeford, NC)

Apr 3 - 7 The Fork CCI & HT (Mill Spring, NC)

Apr 13 - 15 Fair Hill International H.T. (Elkton, MD)

May 8 – 12 Jersey Fresh International Three-day Event (Allentown, NJ)

May 23 – 26 Virginia CCI & H.T. (Lexington, VA)

June 6 – 9 Bromont CCI (Canada)

3. The cost for the Area to send teams to the NAYC is very expensive. Fundraising is critical and all candidates including grooms are required to participate in fundraising activities both independently and as part of the Area Activities. Every candidate should raise a **minimum** of \$500. This minimum fundraising is due March 1st.

4. Parents should be prepared to cover the expenses associated with representing Area 2 at the NAYC should insufficient fundraising been done to cover the expenses.

5. Athlete/horse performance over the entire qualification period will be taken into consideration. Athletes will be given an opportunity to submit a written explanation of their performance over the selection period and any extenuating circumstance they would like the Selectors to consider following Bromont.
