**B. Selection Trials/Tryout Events**

Areas may choose to designate a series of selection trials (Attachment C) which must be published no later than four (4) weeks prior to the first named selection trial. Areas may choose to name these competitions as mandatory for all applicants, provide options for selection trials, or choose not to have selection trials. Athlete/horse combinations must, in addition to the requirements set forth in Section I (A) above, compete (with every intention of completing) in selection trials as specified by their Area. An athlete/horse combination that is unable to attend a Mandatory Selection Trial because of veterinary, medical, or family emergencies or for logistical reasons may request a waiver for selection by submitting a written request prior to the mandatory Selection Trial to the Area Selectors who will approve or disapprove the request based on the relevant facts and circumstances.

**C. Provided below is a comprehensive, step-by-step description of how athletes will be selected.**

The USEA Area Selectors' ("Selectors") evaluation will be based on the following factors (Factors):

1. The overall performance and soundness of the athlete/horse combination in competition with emphasis on dressage scores, current fitness, cross country and show jumping performance: jumping without faults and/or incurring time penalties, boldness, rideability, and speed with priority given to selection trials designated by the respective Area;
2. The previous experience of the athlete/horse combination, preference may be given to athlete/horse
3. combinations who have demonstrated ability to succeed in multiple eventing competitions;
4. Athlete's fitness; and
5. The athlete/horse combination's will to win and the suitability of the combination to win the Event(s) or contribute to a team placing at the Event(s).
6. Willingness of the athlete to work within the confines of the Event accreditation allocation and restrictions

If all factors are equal between two athlete/horse combinations, the participation of the athlete in other Area Young Rider programs or activities, i.e., fundraising, securing of team sponsorship etc., may be considered, the details of which must be included in the Area Selection Procedures (Attachment D) and posted on the Area website prior to the first Selection Trial.

The names of the Area Selectors must be sent to USEF and posted to Area websites no later than May 1 of the competition year. The Selectors will oversee the selection process, which process shall be reviewed by the USEF Eventing Sport Committee or its designees and the USEF, and approved by the USEF International Disciplines Council or its designees, (see Attachment E for a list of USEF committees, their roles and list of members).

**II. COMPETITION ENTRY**

**1. TBD: Nominated Entry:**

Each Area shall submit a list of athlete/horse combinations up to 18 athletes and horses (the "Nominated Entry") to USEF (See Attachment D for details of each Area's Selection Procedures for the Event).

**2. TBD: Definite Entries:**

The Selectors will meet after the last designated Selection Trial (if any) but no later than the date for submission of definite entries to evaluate applicants and name up to the maximum number of athlete/horse combinations along with up to two additional reserve horses (one additional reserve horse in the case of one Individual athlete only) to be able to be entered under the Definite Schedule for the Event ("the Squad"). The two additional horses

must be qualified with one of the competing athletes from the nominated entries. The Squad must be chosen by a majority vote of the Selectors. In addition to selecting the Squad, up to six ranked alternates may be chosen for the Event.

### 3. Combining of Areas to Form Teams

For Areas not able to field teams, the following options are available:

- a. The Area may send one or two individual athlete/horse combinations.
- b. Areas only able to field individual athlete/horse combinations (i.e., they do not have enough athlete/horse combinations to make up a team) may be combined with athlete/horse combinations from other areas by USEF Eventing Department staff in consultation with the USEA CEO at the time of definite entries in order to create a full team.
- e. Further changes may be made, pending approval of all effected parties.

4. **TBD: Declaration of Starters** – Once at the Event venue, and after the horse inspection and cross-country course inspection, the Chef d'Equipe will declare the team of four athlete/horse combinations and the two individual athlete/horse combinations for the Event. If an Athlete has presented at the first Horse Inspection more Horses than he is allowed to ride, the Chef d'Equipe must declare in writing the names of the Horses definitely starting.

**D. Provided below are the names of all committees/groups who oversee the selection process, including the name(s) and role(s) of their members.** The Selectors (Attachment C) will oversee the selection process, which process shall be reviewed by the USEF Eventing Sport Committee or its designees and the USEF, and approved by the USEF International Disciplines Council or its designees, (see attachment E for a list of USEF committees, their roles and list of members).

### III. REMOVAL OF ATHLETES

**A.** An athlete/horse combination whose name is submitted on an Area's Nominated Entry may be removed for any of the following reasons, as determined by USEF and in accordance with these procedures:

1. Voluntary withdrawal: The athlete must advise the USEF (Christina Vaughn, Director of Performance and Program Support – [cvaughn@usef.org](mailto:cvaughn@usef.org)) of their withdrawal in writing.
2. Violation of the USEF Code of Conduct (Attachment B).
3. Injury or illness as determined by a Physician approved by the Area ("Area Physician"). If an athlete refuses verification of their illness or injury by the Area Physician, their injury will be assumed to be disabling and they may be removed.
4. Injury or illness of the horse as determined by a Veterinarian approved by the Area ("Area Veterinarian"). If an athlete and/or horse owner refuses to have the horse examined by an Area Veterinarian, the injury or illness will be assumed to be disabling and the horse may be removed.
5. Failure to adhere to all USOPC, IOC, USEF, FEI, USADA, and/or WADA anti-doping protocols, policies and procedures including, if applicable, participation in the out-of-competition testing as required by the FEI and/or WADA Rules.
6. Any removal other than voluntary withdrawal must have the recommendation of the USEF Eventing Sport Committee or its designees and approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
7. Violation of the Safe Sport Policy.

In these procedures, the removal of an athlete is closely related to the process by which they will be substituted. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in Section III Substitution of Athletes.

An athlete removed from the Area's Nominated Entry pursuant to this provision may have the right to a hearing per the USEF's Bylaws, Article 703 and USEF General Rules, Chapter 6, GR 605 or USOC Bylaws, Section 9.

**B. An athlete may be removed at any time for violation of FEI and/or WADA anti-doping protocol, policies and procedures. In such instances, the adjudication process will be managed through the FEI.** Athletes must adhere to 2022 USEF Eventing Young Rider Championship Selection Procedures

all IOC, USOPC, USEF, FEI, USADA, and WADA anti-doping protocols, policies and procedures, and may be drug tested. Please see the USADA website [www.usada.org](http://www.usada.org) for more information or contact Steven Morrissey with any questions at: (859) 225.7686 or [smorrissey@usef.org](mailto:smorrissey@usef.org).

#### **IV. SUBSTITUTION OF ATHLETES**

**A. Following is the process by which the substitute pool of athlete/horse combinations will be identified:** Each Area's list of athlete/horse combinations on the Nominated Entry will comprise the pool of substitute athletes for that Area.

**B. Substitute athlete/horse combinations will be selected, should a vacancy occur, according to the following method:**

- 1. Prior to the Definite Entries:** Prior to the Definite Entries, the Area has the discretion to substitute athlete/horse combinations for the reasons set forth in Section II.A.
  - a. Openings, if they occur, whether by voluntary withdrawal or removal, will be filled according to the Area's list of athlete/horse combinations on the Nominated Entry.
  - b. Any substitution for reasons set forth in Section II.A except by voluntary withdrawal must have the approval of the USEF Eventing Sport Committee or its designees.
  - c. Any substitution for veterinary reasons other than voluntary withdrawal must also have the approval of an Area Veterinarian.
  - d. Any substitution for medical reasons other than voluntary withdrawal must also be documented by an Area Physician.

**2. After the Definite Entries and until one (1) hour before the Horse Inspection:**

During this time period, Athlete/horse combinations named to the Team may only be substituted with Individual athlete/horse combinations and Individual athlete/horse combinations may only be substituted by Team members. However, the reason for a substitution must only be because either the rider is unfit to compete due to injury or illness or there is a strong veterinary case for substitution or the performance of the Team member has dropped off to such an extent that for the success of the Team a substitution is vital. The latter situation will almost certainly occur as the result of a veterinary problem, which may or may not be possible to define given the time/resources available at the time. Replacements may only be made by the recommendation of the Area Coach and Chef d'Equipe, and may only be made in accordance with Article 509.2.2 of the FEI Eventing Rules [25th Edition, Effective 1st January 2021] or for reasons set forth in Section II. A and subject to approval by the Eventing Sport Committee or its designees. Any replacement for veterinary reasons must be upon the recommendation of the Area Coach and must also have the approval of a Veterinarian approved by the Area Young Rider Coordinator and Chef d'Equipe. Any replacement for medical reasons must be documented by a physician physically present at the Event venue approved by the Area Coordinator and Chef d'Equipe. Any replacement for veterinary reasons must also be approved by a Veterinarian approved by the Area Young Rider Coordinator and Chef d'Equipe. Any replacement for medical reasons must also be documented by a physician(s) approved by the Area Coordinator and Chef d'Equipe.
